Description of a recent project:**2005 Recreation and Economic Development**

The Western Piedmont Council of Governments is using a \$68,000 Clean Water Management Trust Fund grant toward a \$132,000 study to help Alexander, Burke, Caldwell, and Catawba counties develop a plan to create jobs based on existing and potential recreation areas such as trails, rivers and parks. Clean Water Management Trust Fund's grant is helping county planners look specifically at water protection measures and strategies for selecting buffers and greenways.
